

DCLE

FATEMA ANWAR & ASSOCIATES

We are driven to challenge the status quo, delivering consistent and uncompromising quality and value to our clients regardless of the scale and scope of the business needs, our client will get the individual attention they need and deserve.

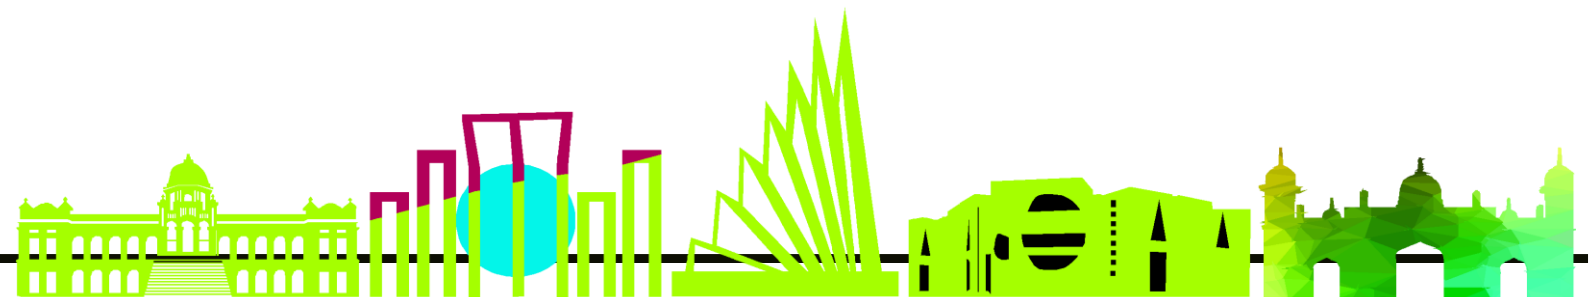

Our Practice

We have been the trusted adviser of multinational and local companies in Bangladesh that demand sharp insights for critical business decisions. We take a proactive role in addressing the legal issues affecting clients' businesses in Bangladesh.

Our people form a dynamic team of industry experts and are regularly engaged by telecommunications, manufacturing, education, human resources, insurance, financial institutions and IT industries for legal services.

Our lawyers' commitment to excellence and innovative thinking enables us to provide tailored and practical advice, helping our clients gain competitive advantage in their respective fields of operations. Our value-based solutions and client centric services continue to position us as one of the highly recommended law firms in the country today.

We provide the right teams by organizing our lawyers into key practice groups to tackle the fundamental aspects of our clients' commercial operations.

We strive to diligently represent the interests of our clients, while at the same time maintaining the highest ethical standards of the legal profession.

Our Driving Team

Fatema Anwar

Fatema graduated from the University of London with Honours in 1996 and was called to the Bar from the Honourable Society of Lincoln's Inn in 1997. She was admitted as an Advocate of the Supreme Court of Bangladesh in 1999. In 2008, Fatema completed acclaimed training on international joint ventures, international securities in movables, international protection of intellectual property rights, international civil procedure and international insolvency proceedings at The Hague Academy of International Law, The Hague, Netherlands.

Fatema represents number of multinational companies ranging from telecom to FMCG and global logistic firms. She is a regular practitioner in the Supreme Court of Bangladesh.

Fatema is focusing in the areas of Corporate and Commercial, Joint Ventures, Constitutional, Employment, Telecommunications, Information Technology, Intellectual Property, Real Estate, Shipping, logistics. Inter alia.

Tanvir Prodhan

Tanvir is a law graduate of the University of London International Programmes. He is licenced to practice before the courts in Bangladesh, including the Supreme Court of Bangladesh. He has more than six years' experience in extensive litigation, particularly banking, financial, company, labour and employment, judicial review & constitutional, and general civil and criminal. He has even longer experience in corporate advisory capacity. His capacity for critically and dispassionately analyzing and providing prognosis for any litigation brief is a particular asset to the chamber.

Mohammad Nurul Islam Masood

Nurul is one of the founding partners and also the Administrative Director and Chief Executive of DCLE and Chambers. He holds Business degrees with specialization in International Trade & Finance in addition to law. He leveraged his experience to help CIMA-UK to launch its first program in Bangladesh circa 1998. Nurul taught Tax, Audit, International Business and Management Finance to students from discipline of CIMA and BBA Programs before embarking his journey as the Principal of Dhaka Center for Law & Economics. As a business and regulatory consultant with the Chamber, Nurul assists clients in setting up businesses in Bangladesh, preparing project proposals, financial models and analysis, supports clients with all types of land registration and regulatory and compliance matters, negotiations and legal due diligence. He is also responsible for the two other limbs of DCLE – the Corporate Professional Trainings and Education.

We represent international and domestic companies in industries ranging from Shipping and logistics, banking and financial services, business process outsourcing, information technology and telecommunications, and manufacturing. Our lawyers have helped draft secondary legislation that has led to meaningful changes to labour rules. Our Firm is well-equipped to deliver industry-specific legal and regulatory advice in, among others:

- Corporate governance
